Our popular Remotely Operated Vehicle (ROV) workshops return. ROVS will be constructed and launched by small teams of children under the guidance of Gary Reynolds, an enthusiastic leader for many ROV workshops. The 9-11 am workshops are for children ages 5-7; the 1-3 pm workshops, for children ages 8-11.

There is no charge, and museum admission is not required; but children should preregister to reserve a space.

In Stop Motion Animation, children will work in groups of 2-3 to make videos from individual camera shots. Each workshop will cover 6 hours over two consecutive days.

July 8 & 9 or August 5 & 6
9:30 – 12:30 Ages 6- 9
1:30-4:30 Ages 10 and up

There is no charge, and museum admission is not required; but children should preregister to reserve a space.

Crafts Camp
June 22-26
1:00-3:30 each day

Projects: crochet, soap making, polymer clay figures, felted animal, stuffed animal (using sewing machine), beaded keychain

Children should register for the entire week. Cost per child is \$50 (\$40 for members).
