**Dear Parents:**

Thank you for signing up your child for Scottville Recreation Baseball and Softball. The goal of Mason County Central in taking over this program is to make sure that the kids are in a situation where they are able to have fun playing the game and also improve their skills as they get older and ready for high school athletics.

The leagues that you will see are tentative. They may change due to number, requests to move up in leagues based on age or ability, or if we have coaches. Please understand that in the lower leagues (T-Ball through 5th grade), we want to keep things as geographic as possible. That means if you live in Riverton, you will be placed on a Riverton team. In the Jr. High and West Shore leagues, we will be making sure that teams will be as competitive as possible and not having just one "stacked team". If myself and the coaches cannot evenly pick teams, I will just hold a draft process to make sure the teams are as even as possible.

**Lastly, some exceptions will be made about moving kids up to a higher league than their own age group. But, NOT ALL EXCEPTIONS WILL BE GRANTED. This is because players moving up may lessen the numbers needed to field a team at their own age level.**

Sincerely,  
Director Jim Bowen
